AMENDMENT

Sir:

Responsive to the Office Action mailed April 23, 2001, please amend the above-identified application as follows.

IN THE CLAIMS:

Please replace claim 17 follows:

C1 17. The method of claim 14 wherein the one access device is a personal digital assistant.

Please add the following claims 22-27:

22. (New) A method of interfacing an access device with a software application, comprising:

C2  
producing a data stream from the software application;  
providing a token representation of the data stream from the software application; and  
forwarding the token representation to the access device.
